

Kirchstetten, Austria : 13th January, 2021

FMW Förderanlagen GmbH (FMW) are pleased to announce that we are now represented in the U.K. by **Papermachine Consultancy Services Ltd (PCS)**.

FMW is the Austrian engineering company specialized in handling systems for the pulp, paper, energy, chipboard and recycling industry. We provide the full spectrum of products and services from consulting, design, project execution to after-sales services.

FMW have been supplying equipment into the U.K. market for many years already, so we know that you will appreciate the advantages of having a locally based support team.

Mike Mason and his PCS team are available 24/7 to handle your queries and spares requirements.

For more information on how we can “engineer YOUR progress” please contact:
