

# FOURSTONES PAPER MILL CO LTD

*Specialist Papermakers since 1763*

The Fourstones Group is a privately owned, ambitious, rapidly growing business operating in the AFH Tissue and Speciality Creped Paper sectors.

To strengthen our management team at Sapphire Mill, Leslie and support future growth we are recruiting for the following positions.

## TECHNICAL MANAGER

The successful candidate will be experienced in Paper Technology, Environmental Management and Quality Management. They must have the ability to communicate at all levels both within and outside the business.

## PROCESS TECHNICIAN

Working Closely with the Production, Engineering and Technical Managers the successful candidate will be monitoring and optimising the paper making process and material usage from raw material input to finished product. A sound knowledge and understanding of the technical aspects of papermaking is essential.

Both positions offer a competitive salary and relocation package and the opportunity for career progression in a rapidly growing business.
